Spiritual Disciplines Guide

Week of May 19, 2024

The book of Colossians is a parallel letter of Paul to the book of Ephesians. Both were written in the early 60's from prison in Rome. If Ephesians' theme is "*Who We Are in Christ*", the theme of Colossians is "*Who Christ Is*". The first two chapters of Colossians give major emphasis to the superiority of Jesus Christ, especially [Chapter 1:15-20](#) and [Chapter 2:8-17](#). Apparently the local false doctrines of gnosticism were infiltrating the church and challenging the deity of Christ and his superiority over every living thing. Paul writes this letter to correct that fallacy and clarify Christ's position as head over all.

The second two chapters, as is typical for Paul, deal with practical applications of our faith in Christian living, relationships and responsibilities. Especially notable in Paul's exhortation for us to live out our new identity as Christians and to put away all old sinful practices from our previous years of life. Since Colossians is a short book, we'll read it through twice this week. May God give you greater insight into who Christ is and how you can better represent him in your life.
